

# AREA/510

## Safety rules

### **Emergency? Call 040 247 2222**

Always alert staff about any incidents

### **Listen to staff**

They are there to help keep everyone safe

### **Always ask for instructions**

First time using a machine or power tool? Ask for instructions first!

### **Use safety equipment**

Wear safety glasses when operating machines and power tools, wear cutting gloves when using box cutters

### **No long loose (facial) hair**

For your safety, always put long hair in a bun or braid, for shorter hair a ponytail may suffice

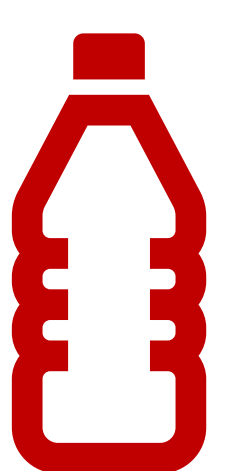

### **Wear safe clothing**

No loose clothing & accessories, no open shoes. Bare skin is at own risk

### **Keep the floor clean**

No obstructions, cables, spilled liquids, etc., as it is a tripping hazard

### **No food or drinks**

This includes water bottles

### **Clean up before leaving**

Return tools and clean up workplace for the next person

*Issue with a person in the workplace and feel uncomfortable or unsafe? You may always approach staff*
